Billing & Renewals: Automatic credit/debit card charging is the tenth of the month prior to publication *unless specified otherwise). We choose not to send monthly bills. Charge confirmations will appear on your charge statement and email confirmations of each charge are sent if valid email address is provided. Agreements may be renewed automatically and will be based on the rates in force at the time of renewal. To cancel, notify us in writing at least one month before the end of your agreement term.

Broken Agreements: Unearned discounts and an administrative fee of 25% of your non-discounted rate (minimum $60) are imposed on broken agreements. Should this become a collection problem, the client assumes all reasonable costs of collection, including, but not limited to court costs, interest and legal fees.
