

## Cover Art for Natural Awakenings

### Submission Guidelines

Thank you for your interest in having your artwork featured on the cover of our publication. If you wish to be considered for future publications, please submit an electronic color scan of your artwork at 300 dpi. The size of your image (at 100% scale) should be no less than 4" in width. The electronic file size could be anywhere from one meg to 15 megs or so, depending on the image size. Your electronic file may be submitted either in RGB (red, green blue) or CMYK (cyan, magenta, yellow, black). We would prefer CMYK.

I will accept only horizontally orientated pieces. I prefer representational work with high contrast.

Along with the art file, email some information that we can place in the column devoted to the cover artist, place this text directly in the body of email... do not send your text as an attachment. Include the following (**submit one email per artwork**):

Title of work

Artist Name

Write a paragraph or two (to be written third person) about the artist, and the work of art. Please include contact information for those who wish to get in touch with you (address, phone, web address... whatever you are comfortable with).

Submitted artwork may grace the cover of the local edition of Natural Awakenings, or could be selected to be on the cover of other editions of Natural Awakenings throughout the United States and Puerto Rico and may be used on the official Natural Awakenings website: [www.NaturalAwakeningsMag.com](http://www.NaturalAwakeningsMag.com).

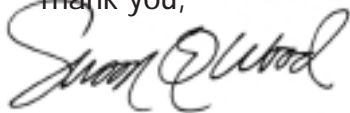

Submitting artwork represents your approval to allow us to reproduce your artwork for publication. Questions? Please give us a call.
